

## **Affiliate Disclaimer**

Hi. LaMaya Harris here. I believe in transparency on the web and so I am disclosing that I've included certain products and links on this site that I will earn an affiliate commission for should you decide to make a purchase.

My goal with this site is to help educate you on the possibilities that exist online and also to be a powerful resource for you, but please understand I am doing this as a for-profit business.

Given this, you should assume that any links leading you to products or services are affiliate links and I will potentially receive compensation should you decide to buy. I only promote products or services that I have investigated and truly feel deliver value.

This website endorses Six Figure Mentors (SFM). Although we do not operate on a "pay per click" compensation, should you create a profile and purchase any SFM educational products, we will receive a percentage of the sale for the referral.

By clicking any affiliate links on this website you will not pay any more than if you were to purchase directly.

Please note that I have not been given any free products, services or anything else by these companies in exchange for mentioning them on the site.

If you have any questions regarding the above, please do not hesitate to contact me by using the following email address: [lamaya@livingmoreabundantly.com](mailto:lamaya@livingmoreabundantly.com).
